Welcome to Frederiksholm

Dear new neighbours,

Welcome to your new home. We hope you will feel at home in the new surroundings.

There are 43 flats in the building. Therefore, it is important that we all take each other into consideration to ensure a nice atmosphere and pleasant conditions.

By way of this brochure we would like to advise you where to find the information you will need in various situations.

In addition, we also need some information from you. For this purpose please find enclosed a form which we kindly ask you to complete and drop in the Board's mailbox in Bohdeldachvej 2.

The information will be used for providing your name plate and for completing the list of cars in the garage for facilitating contact to you in case of problems with the parking system. Your e-mail address would also be used for sending out important information to all residents.

You can find a lot of useful information on our website www.frederiksholm.com

Here you can also find the prevailing house rules which you are kindly requested to familiarize yourself with and adhere to.

The owner of the flat is solely responsible for the maintenance of his/her flat. In this connection, we would like to advise you that the original owners have received a guide to residents. We hope you found a copy when moving in. Extra copies are unfortunately not available any longer.

On the flip side of the flyer you will find contact information.

We look forward to meeting you.

Kind regards,

The Board
