

Ejerforeningen Frederiksholm

Til beboerne

Ejerforeningens bestyrelse har udarbejdet et velkomstbrev til nye beboere.

Da beboere, der er flyttet ind i de seneste år, måske også har savnet information om vores ejendom, får alle velkomstbrevet.

Vi vil samtidig bede jer om 2 ting:

- Udfylde kontaktskemaet og returnere det som anført, så vi er sikre på af have de korrekte oplysninger.
- Give besked til bestyrelsen, hvis der flytter nye beboere ind i jeres opgang, så vi kan lægge en pjece i deres postkasse. Vi får nemlig ikke besked om nye lejere.

Tak for hjælpen

Frederiksholm Owners' Association

To all residents

The Board of the Owners' Association has prepared a welcome letter to all new residents.

As new residents, or persons who have recently moved into the building, should be provided the necessary information on our common property, this welcome letter is forwarded to all of you.

In this connection, we kindly ask you to help us by providing the following:

- The completed form with your contact details. Please return the requested information, as advised in order to make sure that we always have the correct and updated information.
- For distributing the welcome information to all new residents the Board should be grateful to receive a short note when new residents move into your staircase. This information is not always automatically provided to the Board.

Many thanks in advance for your kind assistance.
